Mr. Harold C. King  
Commissioner  
Virginia Department of Highways  
and Transportation  
Richmond, Virginia 23219

Dear Mr. King:

Enclosed is a signed agreement covering traffic management at CIA. Revisions have been made to articles l.a. and l.c. These revisions have been discussed with your representatives, and we believe they are mutually agreeable.

The \$500,000.00 reserve established by the agreement is understood to be adequate for the additional surfacing required should that become necessary. All grading necessary to support the additional surfacing will be installed as part of the initial construction.

I would like to thank you and the members of your staff for favorably considering our traffic management proposals. The teamwork that has developed between our staffs should lead to a very responsive design solution.

Sincerely,

*Harry B. Fitzwater*
